## DIFFERENTIATORS

As a former service member, I bring a unique perspective to working with major contractors. My military experience has instilled in me a profound understanding of the significance of time management in their operations. I prioritize transparent communication, ensuring contractors are promptly informed of all developments, regardless of their nature. I recognize and uphold the high standards of professionalism expected by contractors and subcontractors alike.

## CAPABILITY NARRATIVE

A.J. TRUCKING SERVICES LLC stands out as a dynamic Small Business, proudly certified as a DVBE/SDVOSB dump truck company based in the heart of California. With a cumulative expertise of 2 years, our dedicated team delivers unparalleled service excellence. Specializing in dirt, sand, and gravel hauling across sizes ranging from 3/4" to 4", we are your trusted partners in efficient material transport. Beyond this, we excel in the removal of dirt, concrete, asphalt spoils, and construction debris, ensuring a clean and seamless project environment.

Founded with a noble purpose, A.J. Trucking Services LLC is committed to supporting veterans as they transition into civilian life by providing rewarding employment opportunities. Our ethos is deeply rooted in the core values of the United States Marine Corps – Honor, Courage, and Commitment, which resonate through every aspect of our operations.

## CORE COMPETENCIES

- A.J. TRUCKING SERVICES LLC is proficient in delegating and executing tasks.
- We are accustomed to dividing work while acknowledging the capabilities of our team.
- Our trained and expert drivers undergo screening and testing to ensure competence.
- With 2 years of business experience, our value is evident.

## CORPORATE EXPERIENCE

### MAMMOTH LAKES CA

**Subcontractor** January 17, 2023 - May 4, 2023

During this project, we assisted the city of Mammoth Lakes with snow removal. We provided 15 trucks in a 12 hour notice. This allowed us to remove large amounts of snow for commercial and private properties, and in doing so allowed the business to stay open for food and other necessities.

### YOLO COUNTY I-80 FWY (DEMO/ PAVING)

**Subcontractor** August 20, 2023 - November 15, 2023

For this project we hauled away demolition for the purpose of FWY restoration. We hauled away concrete and dirt. We also brought in baserock to level out the road and prepare for paving.
